

# CROTON RECREATION HIGH SCHOOL PROGRAM

## We Need Your Help

For a while now the Recreation Department has tried to plan events and activities for high school students. In these efforts I have met with school officials and staff as well as students through various opportunities such as the Student Faculty Congress. We have also sent home several flyers in conjunction with the PTSA's newsletters. Unfortunately we have not received much feedback. We are actively seeking suggestions from the community, especially the teens in high school, as we try to plan fun and interesting activities.

We have many resources available including funds and volunteers wanting to help. We also have access to the new game room in the Municipal Building which has already been well utilized by the Middle School Program and other organizations. In the game room is a pool table, HDTV, video game consoles, ping pong, and foosball. We would like to use this game room as a place for teens to socialize with out the bad influences they might find other places. We would also like to plan trips that allow high school students to get out and do something. We are currently planning the following trips for the summer:

**Six Flags Great Adventure - 6/14, \$30**

**Mountain Creek Water Park - 7/12, \$25**

**HV Renegades Game - 7/28, \$20 (All you can eat ballpark buffet included.)**

If you are interested in going on any of these trips or have some feedback for us, call the Rec. Dept. at 271-3006, email me at [jmiller@crotononhudson-ny.gov](mailto:jmiller@crotononhudson-ny.gov), or stop by the Recreation Department in the Municipal Building.

Thank you,

John Miller

Recreation Supervisor
